pH: 3.30

Residual Sugar: 70g/L

WINEMAKER COMMENTS

Moscato is the Italian name for Muscat. And Muscat grapes are believed to be the ancestor from which all grapes descended. With all of that rich heritage, how could we not bottle it? Our Rex Goliath Moscato is a very special wine. Bright, crisp, and decadent, I liken sipping it to sipping liquid gold. It's well balanced with just the right acidity combined with floral aromas that bloom into deliciously sweet flavors of peach and apricot. Perfect anytime—as an apéritif, with light cheeses, sorbets, or fruit. It's so good, you'll be tempted to put your dessert aside and enjoy this refreshing wine alone.

At the turn of the century, HRM (His Royal Majesty) Rex Goliath was a treasured circus attraction. Weighing in at 47lbs, Rex was billed as the “World’s Largest Rooster.”

Our wines are a tribute to Rex’s larger-than-life personality with big, fruit-forward flavors that are sure to please.
