### WINEMAKER COMMENTS

I may not know *everything*, but I do know that the only way to develop the best possible white blend is to be given “Free Range!”

Our Rex Goliath Free Range White is a mouthwatering, light-bodied wine with notes of tangy tangerine, tropical melon, and floral hints. Sweet and lively, its off-dry character and crisp, lingering finish begs to be paired with a variety of salads, fruits, and cheeses. On a hot summer day, I can think of no better wine to chill, sip, and enjoy with friends.

Cheers!

At the turn of the century, HRM (His Royal Majesty) Rex Goliath was a treasured circus attraction. Weighing in at 47lbs, Rex was billed as the “World’s Largest Rooster.” Our wines are a tribute to Rex’s larger than life personality with big, fruit-forward flavors sure to please.
