WINEMAKER COMMENTS

A sweet favorite originally from the vineyards of Italy. Moscato has captivated the hearts of millions. We happen to know a 47-pound rooster who's mad about it too. In fact, it takes a lot to make Rex blush, but he's tickled pink about our Pink Moscato's pretty floral aromas, mouth-watering sweetness and vibrant citrus finish. We gently pressed the grapes and quickly clarified the juice to savor its seductive aromas before it was cool-fermented in stainless steel tanks to draw out natural flavors. Deliciously versatile, chill and serve this refreshing wine with spicy dishes and your favorite desserts.

At the turn of the century, HRM (His Royal Majesty) Rex Goliath was a treasured circus attraction. Weighing in at 47lbs, Rex was billed as the "World's Largest Rooster."

Our wines are a tribute to Rex's larger-than-life personality with big, fruit-forward flavors that are sure to please.
